## The house

One evening, Lily decided to explore the forest near her house. She had heard stories about strange things happening there, but she didn't believe them. As she walked deeper into the woods, the trees grew taller and the path became harder to see. It started to get dark, and Lily felt a little nervous. She heard footsteps behind her but turned around to see nothing. "Just the wind," she thought. But the footsteps grew louder. Lily started walking faster, her heart beating faster with every step. Then, she saw a small house in the distance. Lily ran to the house and knocked on the door. A woman opened it and smiled. "Come in, dear. I've been waiting for you." Lily stepped inside, but when she turned around, the door slammed shut, and the woman's smile turned into a scary grin. "Now you'll never leave," the woman whispered. Lily tried to scream, but no sound came out. The house grew colder, and the lights went out. The next morning, the house was gone, and the forest was silent...
